

Dear Friends,

We at EFPEDD are trying desperately to spread the word about the upcoming public meetings concerning the East Feliciana Parish Master Plan. The recent storm has caused some serious communications issues, so we're asking—no, begging-- for your help. These meetings are to present the master plan to the residents of the parish and to get their feedback and input before we submit it for approval. The meetings will be held:

Monday, September 10th

JD's Restaurant (formerly Josephine's) at Hwy 10 and Bank St.

Clinton, LA

Doors open at 6 pm and the presentation will start at 6:30 pm.

Refreshments will be served

Tuesday, September 11th

Jackson Civic Center Hwy 10

Jackson, LA

Doors open at 6 pm and the presentation will start at 6:30 pm.

Refreshments will be served

We humbly ask that you attend these meetings and tell us what you think about the plan as presented. Furthermore, to help spread the word about the meetings we ask that you contact two other parish residents (friends, family, etc.) to tell them about it, ask them to tell two more people that they know, etc., etc. The storm has crippled our servers and destroyed a computer hard drive, so we're asking that the community help spread the word the old-fashioned way.

Thanks so much for your help!
